October 24–27, 2019
Dear friends,

It gives us great pleasure to invite you to the third joint congress of the Croatian Society for Infectious Diseases and the Croatian Society of Clinical Microbiology of the Croatian Medical Association CROCMID 2019 (12th Croatian Congress of Clinical Microbiology and 9th Croatian Congress on Infectious Diseases) with international participation to be held in Split, October 24-27, 2019.

This time also we will gather experts from Croatia and abroad to discuss numerous issues related to infections and their causes. The aim of CROCMID 2019 is to exchange experiences and knowledge in the field of diagnostics, treatment and prevention of infectious diseases, and connect physicians of different specialties and scientists focused around common research goals. We believe that by networking and finding common interests for collaboration, we can progress faster and achieve better results in diagnostics and treatment of infectious diseases. Rich scientific program consisting of plenary lectures, symposia and poster presentations will take place in three parallel conference rooms at the Radisson Blu Split Hotel.

We cordially invite you to join us and enrich this event with your professional contribution and participation. A traditionally friendly atmosphere will provide an excellent opportunity for socializing and exchanging opinions, meeting old friends and making new acquaintances.

We look forward to your arrival and hope you will enjoy your stay in Split.

Prof Arjana Tambić Andrašević, MD, PhD
President of the Croatian Society of Clinical Microbiology

Prof Bruno Baršić, MD, PhD
President of the Croatian Society for Infectious Diseases
